Hi both,

Please see below. Senator Dalphond indicated today that he would vote against the motion in the chamber. However, he's since told us that he would be prepared to vote in favour of the confirmation motion if the Government was prepared to make a formal commitment to alter the Emergency Economic Measures Order in regards to judicial authorization/safeguards. Senator Gold has asked me to raise this with you.

Regards,
Michael

Subject: Info from Sen. Dalphond

Hi Eric-Antoine, good chatting. As I mentioned, Senator Dalphond would be interested to explore the possibility of a government commitment to alter the Emergency Economic Measures Order.

He is hoping the Government may consider adding judicial authorization prior to law enforcement communicating with financial entities to freeze assets, as well as a judicial avenue to unfreeze assets.

Senator Dalphond would be happy to speak with you about this and related matters, and his office is also in touch with the Justice Minister's office.

Thanks and let me know if I can be of assistance as well.
